Dear Mr. Crossland:

Re: 2nd Request for Submission of the 1991 Annual Report

In checking over our records for the year 1991, we find that we have not received an annual report from you for the Tug Project, **M/003/007**. This report is required under Utah Code Ann. §40-8-15(2) and Utah Admin R647-4-121 of the Utah Mined Land Reclamation Act.

Due to this oversight, would you now please fill out the annual report form and return it to this Division by April 10, 1992. This report is required annually until the site has been completely reclaimed and/or reclamation surety released. If you do not have a MR-AR form, please contact me and I will forward one to you.

Thank you for your immediate attention to this matter.

Sincerely,

Joelle Burns
Minerals Secretary
